GUIDES

Sarp Inceis & Alina Sadri

Living in Istanbul we came to Fethiye to spend time with the family during pandemics and fell in love with the area! We stayed here since and being enthusiasts of outdoor activities we explored the world-known hiking trail - Lycian way.

Being curious we took new routes, found beautiful beaches, and eventually designed our own hiking route which was paved through forests, mountains, and historic sites of the ancient Lycian region.

We believe that all kinds of traveling must be exciting, active, and diverse. We organized this hiking trip for those who want to go through a challenging experience or simply share our passion.
